

## DRESS CODE

It is important that dancers have the proper attire and shoes for their classes. We have an inventory of dancewear at the studio, including all the WearMoi Ballet Dress Code, tights, and ballet slippers. There are also many dance stores nearby where you can buy tan jazz shoes, black tap shoes, etc. including: SAS Dance Supply, The Dance Bag, Madison's Dancewear, St. Louis Dancewear, and many more.

- Please have your shoes fitted at the studio or a dancewear store, many dance shoes fit differently than street shoes and we want the right fit to help prevent injuries and to develop proper technique.
- **Dance shoes may ONLY be worn in the dance studio on the dance floors, NEVER OUTSIDE!**
- Hair should be in a ponytail or another style that is up and off of the face.
- **In Ballet Class, hair needs to be in a secure bun!**
- No jewelry that dangles, no costumes or play clothes, these things can be a safety hazard and a distraction.
- **NO LOTION BEFORE CLASS** (it leaves slick spots on the floors and mats and is a safety concern)
